

Under the sea...

*ocean, water, darkness, blackness,
deep, depths*

*anglerfish, dark grey, dark brown,
huge head, enormous crescent-shaped
mouth sharp, translucent teeth*

*bathe, dip, float, splash, wait, silently,
quiet, plunge, dive, immersed in*

prey, crustacean

*light, rod, juicy, tasty, attract, draw,
captivate, bewitch, entrance, hook*
